Annual Report 2016

Five wonderful and informative C.E. courses were presented during April and May, 2016. We were very fortunate to be able to use the Vermont Technical College (VTC) classrooms, for their complete A.V. set-ups, convenience in location and ease in parking.

On Thursday evening, April 28th, Alison Stahl, RDH, BS presented “The Faces of Oral Cancer”. This course was generously sponsored by The Oral Cancer Foundation, Inc.

Friday, May 6th, Sherry Burns, RDH, MS was with us for a full day of C.E.! Her morning course, “Keep Your Edge – Sharpening Sickle Scalers and Curettes”, was a “hands-on” as well as a didactic course, partially sponsored by Hu-Friedy. Her afternoon presentation, “Conquering Biofilm”, was also sponsored by Hu-Friedy.

On Wednesday evening, May 25th, there was a choice between 2 excellent courses. Diane Peterson, RDH, M.Ed, presented “Prevention and Treatment of the Wear And Tear on Oral Tissues. She was sponsored by Colgate. In the other course, Cindy Leavitt, RDH, presented “Curious About Public Health Dental Hygiene?”

Thank you to all who attended these outstanding professional courses! A huge “thanks” goes out to Dr. Ellen B. Grimes, Leslie Hills, Meaghan Obuchowski, Tiffany Satterfield, Sheila Bannister and Tina Marshall!

Respectfully Submitted,

Mary W. Lew, RDH, BS
