

Vermont

Dental Hygienists' Association

Public Relations Committee

Annual Report 2016

VDHA had a different year in the public eye. Our goal this year was to educate people about obtaining optimal oral health and showing our patients that we are concerned with our own health and not just doling out advice.

The big event the VDHA participated in was University Mall's Halloween event. With the help of the VTC Dental Hygiene Students, many members of the community young and old, English and non-English speaking people were able to connect with our wonderful volunteers.

VDHA also participated in the Dirty Girl Mud Run at Killington on July 9th. A fun event to meet people and show care and concern for your fellow human. You do not have to be a breast cancer survivor to participate. The event is to show we care about finding a cure for ALL CANCER.

A look into next year- I hope we have volunteers to help be a part of Health and Wellness Expo in the Mad River Valley!!

Thank you for a great year.

Respectfully submitted,

Tammy Valadakis, RDH
