Dental Hygienists' Association

Annual Meeting Planning Committee

Annual Report 2016

The Annual Meeting Planning Committee has a fantastic meeting planned for all attendees on August 25 and 26. The meeting is once again held at the Hampton Inn, Colchester, VT. Six continuing education courses will be offered, plus many exhibitors to visit. This year we will be able to offer 1 CEU credit for visiting with the exhibitors at our meeting. This year in order to reduce costs and be environmentally friendly we did not send out a printed program and sent out postcards with the link to find the program on our newly revised website. In addition, it was easy to register online for the meeting. The meeting next year is planned for August 24 and 25, 2017. I would like to thank the other committee members for their hard work in planning this important event: Leslie Hills, Michelle McKay, Erica Gates, and Heather Blair.

Respectfully submitted,

Ellen B. Grimes, RDH, MA, MPA, Ed.D
